Dear [REDACTED]

I forward herewith your copies of the Proceedings of the Second Conference on Intelligence Methods that we held last October and of the supplement containing your specially classified talk and one other. Four additional copies of each document are going to DIA through normal distribution channels.

I thank you and, through you, your agency for the time and thought that you gave to your participation in our program. You helped to make the conference what the visiting delegations unanimously termed a distinct success.

Sincerely yours,

RAY S. CLINE
Deputy Director (Intelligence)
